## Item 8.01. Other Information

### *Introduction*

As previously announced, on July 4, 2021, Advaxis, Inc., a Delaware corporation (the “Company”), Advaxis Ltd., a company organized under the laws of the State of Israel and a wholly owned subsidiary of the Company (“Merger Sub”) and Biosight, Ltd., a company organized under the laws of the State of Israel (“Biosight”) entered into an Agreement and Plan of Merger and Reorganization (the “Merger Agreement”).

The Merger Agreement provides, among other things, that on the terms and subject to the conditions set forth therein: (i) Merger Sub will merge with and into Biosight, with Biosight being the surviving entity as a wholly-owned subsidiary of the Company (the “Merger” and collectively with the other transactions contemplated by the Merger Agreement, the “Transactions”), (ii) each share of Biosight issued and outstanding immediately prior to the Merger (excluding certain dormant shares under Israeli law, which will be cancelled, retired and cease to exist) will automatically be deemed to have been transferred to Biosight in exchange for the right to receive 118.2009 shares (the “Exchange Ratio”) of common stock, par value \$0.001 per share (the “Common Stock”) of the Company, (iii) any outstanding options or other rights to purchase ordinary or preferred shares of Biosight (the “Biosight Options”) will be assumed by the Company and converted into options to purchase shares of Common Stock of the Company at the Exchange Ratio, at an exercise price obtained by dividing the exercise price per share of the Biosight Option prior to the merger by the Exchange Ratio, (iv) to the extent reasonably necessary to comply with the listing criteria of The Nasdaq Stock Market LLC (the “Nasdaq”), the Company will submit for the approval of the Company’s stockholders a proposal to effect a reverse stock split at a ratio to be mutually agreed between the Company and Biosight (the “Reverse Split”), and (v) the Company will file an amendment to its certificate of incorporation to, among other items, (a) increase the number of authorized shares of Common Stock, if necessary to effect the Merger, (b) change the name of the Company to Biosight, Inc. or some other name to be determined by Biosight, and (c) effect the Reverse Split, if necessary.

The Company filed with the Securities and Exchange Commission (the “SEC”) a registration statement on Form S-4, which was declared effective by the SEC on October 20, 2021, that includes a document that serves as a prospectus of the Company and a proxy statement of the Company (the “proxy statement/prospectus/information statement”) in connection with the Merger, which was mailed to the stockholders of the Company beginning on or about October 21, 2021.

The Company is making this filing to supplement the proxy statement/prospectus/information statement. Nothing in any public filing, including this Current Report on Form 8-K (this “Current Report”), is or shall be deemed to be an admission of the legal necessity of filing or the materiality under applicable laws of any of the additional information contained herein or in any other public filing relating to the matters referenced herein.

### *Supplemental Disclosures*

The Company and Biosight have agreed to make the following supplemental disclosures to the proxy statement/prospectus/information statement. The following information should be read in conjunction with the proxy statement/prospectus/information statement, which should be read carefully and in its entirety. All page references in the information below are to pages in the proxy statement/prospectus/information statement, and capitalized terms used in this Current Report shall have the meanings set forth in the proxy statement/prospectus/information statement, unless otherwise defined herein.

The supplemental disclosures set forth below are being made to correct information in the proxy statement/prospectus/information statement that indicates that the approval of Proposal No. 1, the “merger proposal,” requires the affirmative vote of the holders of a majority of the outstanding shares of Advaxis common stock entitled to vote at the special meeting. In fact, approval of Proposal No. 1 requires the affirmative vote of the holders of a majority of shares virtually present in person or represented by proxy at the Advaxis special meeting and entitled to vote on the subject matter, assuming a quorum is present.
